Reparations News

An independent national news and information platform dedicated to covering reparations for descendants of American slavery.

About

Reparations News reports on reparations as a documented, inherited debt — not charity. We follow legislation, records and money at the federal, state and local levels. Reparations News is published by Reparations Network LLC.

Coverage

• Federal & state legislation tracker — H.R. 40, S. 40 and state commission bills, updated daily from Congress.gov
• Investigations — land loss, institutional profit from slavery and the federal balance sheet
• Lineage and eligibility — the Federal Lineage Registry, delineation and 1870 census research
• Reporting Desk — policy, investigations, local news and Campus & Young Organizers
• Civic tools — Find My Lawmaker, county records lookup, debt visualizer and policy evaluator
